Date: October 29, 2007

Description: New and Improved Tankless Product Line Up

Now the best has just gotten better – Introducing our new line up of John Wood™ by Noritz tankless heaters. These new heaters have higher BTU inputs, quicker recoveries and our commercial models are offered with an ASME option.

Below is a cross reference chart which includes old and new model information:

Old Model	BTU Input	New Model	BTU Input
N-069M	190,000	N-0751M	199,000
N-069M DV	190,000	N-0751M DV	199,000
N-084M	236,000	N-0931M *	250,000
N-084M DV	236,000	N-0931M DV *	250,000
N-132M	380,000	Still available	380,000
		N-132M-ASME	380,000

Add NG for Natural and LP for Propane model

* ASME option now available

With our N-Vent venting system, installation is a “snap”. The unique snap-together design of the N-Vent system saves not only time, but money as well. N-Vent telescopic elements completely eliminate the need to cut vent pipe. (N-vent brochure number N311C)

Please contact our Customer Service Department at 1-800-599-2837 for further information of these exciting new products.
